CIRCULAR NO.: 05/2019-2020

23rd January, 2020

To all G.B. Members, Mandali Secretaries and other devotees,

Prayerful Salutations at the Lotus Feet of Divine Mother, Devi Sree Ramambika.

Blessed souls,

HAPPY NEW YEAR 2020 AND MARCH 4TH CELEBRATIONS

Greetings and good wishes to all for the Very Happy New Year 2020. May the New Year in its wake bring glad tidings, new aspirations, new hope, peace, happiness, joy, to all. Every New Year is an assurance that God has still faith in us that he is sure that we will make use of the precious gift of life that He has generously bestowed upon us. Let us remember God, His Universal love, Mercy and His great hope for us. Let us also love our fellow beings and all creatures as we love ourselves. Let us revere one Supreme self, which animates the entire Universe.

We are the immortal and changeless spirit. Only the body is perishable. Atman in our body is eternal that everyone theoretically knows. Destination in our life is eternity, our real home. It is a state of eternal bliss, which is our birthright. It is our Guru Who makes us realize this truth.

Divine Mother Says, "To walk in the direction of God, the pilgrim needs light and support. Guruvakya is the light; the Divine force is the support. To feel the ever present Grace of the Guru, to intuit the Presiding Power and Presence of God, your mind must be turned to God through constant remembrance, devotional dependence, and the discipline of Meditation. This tuning, this inwardisation of attention is the essence of quest and sadhana. These words are vibratory power capable of destroying your illusions, inherited vasanas and egoism. These words have no destruction in time. They are eternal, ever with you leading you to purification enlightenment and release. These words will be guiding wisdom and the saving power for you forever."

DIVINE MOTHER SREE TARA DEVI

MARCH 4TH – 109TH YEAR OF ADVENT OF DIVINE MOTHER SREE RAMA DEVI.

The Avatars of Eswara have a distinguished character of their own. Jivas take birth under the compulsion of their own karma, whereas the Avatars are beyond karma. Avatars descend into this world impelled by compassion and to lift Dharma to a higher level for the good of whole universe. The Divine reveals Super human nature even from birth. Divine Mother came into this world smilingly. That Divine smile captivated the hearts of those who looked at the baby. Indeed, the child was child in appearance only.

Within the tiny most beautiful form, there shone the universal Mother, Brahman, the infinite Shakthi, Who imparts light to Sun, effulgence to the fire, the power of motion to the air, and the one who is the author of entire creation. The Avathar is human only in appearance. His humanity is only a veil that hides His God-hood Consciousness. His qualities and deeds distinguish Him from rest of the mankind. He fulfills Divine Mission on earth. His whole life illustrates the glory of Dharma. The truth of His life and actions reveal themselves by passage of time. The Advent of the Supreme as a loving Mother and Guru, functioning in the Grihasthya showing the path of salvation for the toiling humanity is indeed a golden opportunity for all those who long for liberation.

The Divine Mother of the universe, the ever perfect one by assuming human role led a spotless life of Dharma and that immaculate life itself became a light for humanity for all times to come. When Mother entered Grihasthashrama, Her consort, Sree Krishna Bhagath came under the dazzling perfection of Dharma, highest human and Divine Excellences. As a result, he became a resigned soul and a sidha purusha. He gained insight into the Divinity of Mother and the purpose of Her Advent. In fact, he realized that Mother's life was a great Yajna, a total self-offering at the altar fire of Dharma. Dharma is too deep for human comprehension.

Sage Valmiki addressed Rama as Dharma Murthy. He went to live in the forest in great and arduous tapas for fourteen long years for preserving Dharma. Divine Mother remained in the seclusion of Home and Her life was a ceaseless tapas and yajna. Not only Her fasts, meditations and Holy communions, but Her whole life of duties was a rigorous tapascharya. What a picture of Exalted Dharma! A life of Supreme sacrifice, a life that reminds priceless heritage of Bharath, a life which presents grand ideal of sanathana dharma extolled by the great vedic seers and sages. The lofty principles of Grihasthya, the facets of pathivrithya, the sweetness of bhakthi, the ecstasy of karma and super human aspect of Avatharhood – all these and more manifested in the great and illustrious life of Divine Mother. Her doctrines and tenets of higher life laid emphasis on the highest truth.

By the grace and blessings of Divine Mother, Devi Sree Ramambika, it has been decided to celebrate the 109th year of Advent of Divine Mother Sree Rama Devi with a four day programme from Monday the 2nd March 2020 to Thursday the 5th March, 2020. Akhanda Mahamanthra Japa Yajna, discourse on Divine Mother, Bhajans, devotional songs and ceremonial procession of Utsava Murthy (Devi Sree Ramambika) within Shaktinagar campus are some of the salient features of the celebrations.

Blessed brothers and sisters, be it our spiritual privilege to gather in Shakthinagar in the bond of Divine friendship to participate in the most auspicious celebrations to imbibe the all healing and all sublimating spiritual vibrations emanating from the Shrine of Devi Sree Ramambika.

Divine Mother Says, "Look upon the image as the Supernal Being. Have the Bhava that God is there to receive your worship in person. When Bhava-chakshu opens, you will see the image full of life as the personification of Chaithanya itself."

May lasting peace pervade the entire universe is our soulful prayer at Her Lotus Feet.

With affectionate regards,
Yours in the Cause of Mission,
